Welcome

Please join us in extending a warm welcome to the newest members of our reception team:

Jamie, Tracey and Jade

They come with much experience and will be a great addition to our team!

2019 ParkLive!

Huge thanks to all of you who joined us at ParkLive this year! It was another great day seeing you all out and about, and luckily the rain held off... mostly! We hope you had fun and the kids enjoyed our treasure hunt.

Early Appointments

We are now offering early appointments from 7:30 am one day a week. The day will alternate between Wednesday and Thursday. Appointments available will be with a GP, Practice Nurse and HCA. Please contact the practice for more details.

Flu Vaccine

As we begin to enter flu season, we urge patients, who are eligible, to contact the practice and book an appointment for the flu vaccine. Flu vaccines are available for all over 65's and patients with long term conditions such as Diabetes and COPD.

We are still accepting new patients at Southglade Medical Practice

Please visit our website and download the two application forms. Bring both completed forms into the practice with one form of photo ID (e.g. passport, driving licence) and proof of address (e.g. recent utility bill dated within the last three months) in order to register.

If you don't have access to a printer at home, you can pop into the practice and collect the forms.

Keeping in touch with us

Are you interested in being part of a Patient WhatsApp Group? We thought that such a group would be a great opportunity for you, our patients, to share ideas as to how we continue to develop our services and to be kept up to date with any planned changes. If you'd like to sign up to the group, please leave your contact details at reception.

Why not leave us an online review?

Are you satisfied with the services that we offer you? If so, we'd love you to leave us an online review of the surgery on Facebook or Google. Simply visit our pages (detailed below) and leave us a review! Thanks!
